Plant roots, cultivate connections and nurture relationships

Hello, Georgetown! Remington Homes' brand new group of homes is here in the heart of Halton Hills. Georgetown is a blossoming community for young families looking to raise their children in a friendly, safe and inviting environment. Others are drawn to Georgetown's relaxed pace, offering a place to unwind and reap the fruits of their labour.

Surround yourself with loved ones and savour the sweet parts of life. Celebrate the little moments that matter most, from intimate gatherings with friends and family to watching the sunrise with your morning cup of coffee. Good living in Georgetown is about making every memory and milestone count.

Café catch-ups

Quench your thirst and satiate your hunger at many of the delicious eateries found in Georgetown. From coffee shops to chain restaurants to trendy gastro pubs, the options are endless to satisfy every craving as you catch up with loved ones.

Academic achievements

Nourish your mind at one of Georgetown's reputable educational institutions from Nursery to Elementary, through to High School. The Halton Hills Public Library is centrally located to kick-start the love of learning from an early age and as a quiet space of solitude to study, read and write for years to come.

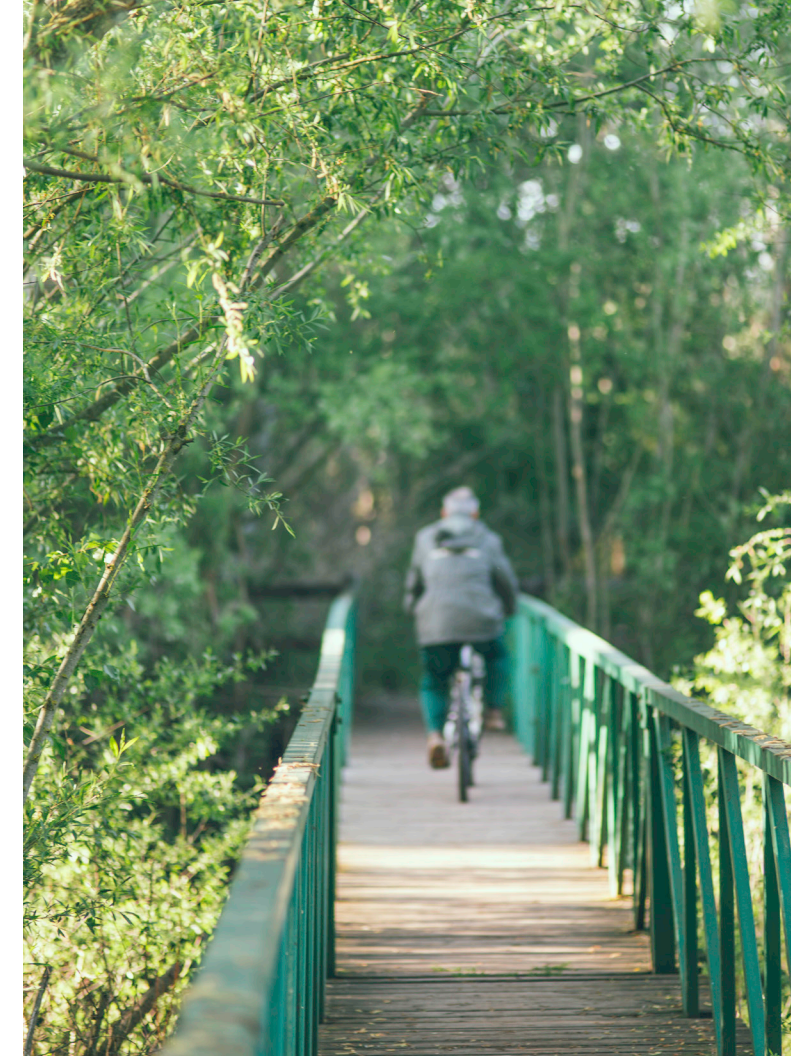

Shop local

Find fresh produce at the seasonal markets, stock up on all necessities at local shops or peruse the hip boutiques along Main Street – whatever your preference, there's food, apparel and knick-knacks to fit any lifestyle. After purchasing some artisanal goods, pack a picnic to share in one of Georgetown's green parks.

Great outdoors

Set by the serene Credit River, near the Willow Park Ecology Centre, close to the Limehouse Conservation Area, and surrounded by multiple parklands, there is no shortage of natural habitats and hikes to discover. With the Georgetown Golf and Country Club as well as The Golf Club at North Halton nearby, those who love hitting the links will look fore-ward to the expansive hectares and lush greens.

interiors

**Interiors that invite,
invigorate and inspire**

A home should be as warm and welcoming as the delightful, new neighbourhood in which it lives. Carefully chosen floor plans serve to showcase a selection of both open-concept spaces and more traditional layouts that allow for family-friendly, comfortable living.

With contemporary features such as 10' ceilings on the main floor, luxurious stainless steel appliances, quality hardwood floors, and side entry doors, you and your family will sink peacefully into the plush surroundings of your cozy abode.

The Design Studio

While there are many reasons to celebrate the purchase of a Remington home, one of the most exciting is putting your personal touch on your new home at The Design Studio by Remington.

An impressive 13,000 square foot space provides a wide variety of exceptional standards and upgrades for homeowners to choose from. In addition to an awe-inspiring numbers of options, various vignettes are featured throughout the space to inspire and engage new homeowners in the design process.

From contemporary to traditional kitchen and bathroom displays, tile, hardwood, fixture and furnishing options, each guest is guided by a professional team of design consultants toward creating a home that reflects their individuality and lifestyle.
